RENEWED PETITION UNDER 37 C.F.R. §1.137(b)

Hon. Commissioner for Patents
United States Patent and Trademark Office
P. O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

In reply to the *Decision under 37 C.F.R. §1.137(b)*, dated December 10, 2007,
Applicants respectfully submit a "Statutory Declaration," executed by Australian Patent
Attorney Barbara Van Meurs, the undersigned's Australian patent associate, stating that
the failure to include co-inventor Gianni Caldera as a named inventor on the above-
identified P.C.T. international application was the result of a clerical error in Dr. Van

Meurs' office and that Gianni Caldera is, and has always been, a joint inventor of the invention disclosed and claimed in the above-identified patent application.

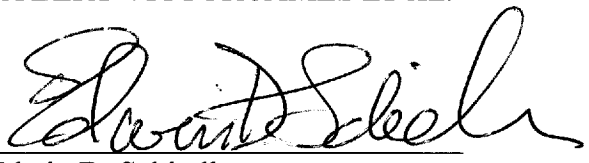

On November 26, 2007, accompanying Applicants' *Petition for Revival of an Application for Patent Abandoned Unintentionally under 37 C.F.R. §1.137(b)*, Robert Victor Jones and Gianni Caldera jointly filed a *Declaration* in support of their §371 U.S. National Phase patent application, which correctly lists the inventorship as it appears in the *Declaration*.

Accordingly, the *Declaration* filed by the joint inventors on November 26, 2007, should be accepted, their U.S. patent application should be revived in accordance with the provisions of 37 C.F.R. §1.137(b), and the above-identified patent application should be examined on the merits at an early date.

Such favorable action is respectfully requested and earnestly solicited.

Respectfully submitted,

ROBERT VICTOR JAMES *ET AL.*
